Welcome To Meydenbauer Center's Meeting Planner's Guide

We look forward to helping you plan your event at Meydenbauer Center. These general policies and rules and regulations are subject to change. We recognize that every event is different and this guide cannot conceivably cover every possible scenario. If there is anything that is not covered in this document, Meydenbauer Center reserves the right to determine necessary considerations or stipulations on an as needed basis. Our primary goal is to ensure the success of your event and safeguard the experience of all clients and attendees.

Meydenbauer Center's Mission Statement

“Our commitment is to provide an outstanding event and performing arts center that generates community and employee pride, creates economic stimulation, and provides exceptional guest satisfaction”

Address 11100 NE 6th Street Bellevue, WA 98004

Phone 425-637-1020

Fax 425-637-0166

Email sales@meydenbauer.com

Website www.meydenbauer.com

Hours of Operation

Facility Access

The parking garage, building and contracted event spaces are open and accessible during all hours of event activity, including move-in and move-out.

The parking garage, building and administrative office are closed on recognized holidays, if there is no contracted event activity.

When Meydenbauer Center does not have a contracted event, our facility is open the following hours:

- Administrative Office
 - 8:00am – 5:00pm – Monday through Friday excluding holidays
- Parking Garage

- 6:00am – 7:00pm – Monday through Saturday
- Building
 - 7:30am – 6:00 pm – Monday through Friday
- Loading Dock
 - Accessible and staffed by Security personnel 24 hours a day, seven days a week

Contracted Event Hours

Contracted event hours vary depending on event needs. Contracts can include up to 16 hours per day between the hours of 5 a.m. and 11:59 p.m. Outside 16 hours, additional fees may apply. Access and scheduling of necessary staff prior to or after contracted event times, or on recognized holidays, should be arranged with your Event Manager.

After Hours Contact

Please contact the Security Department at 425-766-7496 for assistance before 8:00am or after 5:00pm, seven days a week.

Timeline for Planning Your Event

45 days before event: Begin planning event with Event Manager; discuss room set, linen colors, meal types, menu selections, technical services and audiovisual needs

30 days before event: Certificate of Insurance due to Meydenbauer Center

Two weeks before event: Approve event plan and diagram

Ten days before event: Final deposit is due (please refer to Schedule A portion of contract).

Three business days before event by 12:00 noon – Final guarantee is due, with entrée split count, if applicable, and entrée designation, if applicable. Once this is received, your Event Manager will send you a final event plan and diagram to sign and return. Any changes made within three business days of your event may incur additional charges.

Contract: License Agreement and Schedule A

Upon selection of Meydenbauer Center, a contract will be issued. The contract includes two parts: the License Agreement and Schedule A. Failure to return the signed contract and initial deposit by the deadline listed on the Schedule A may result in forfeiture of held space. The contract will not be

considered fully executed until both parties have signed the agreement and the Licensor has received the initial deposit.

License Agreement

A sample license agreement follows.

MEYDENBAUER CENTER LICENSE AGREEMENT

THIS AGREEMENT (this “Agreement”) is made and entered into as of January 22, 2019, by and between the Bellevue Convention Center Authority (“Licensor”) and XXXX (“Licensee”) for Licensee’s use of the Meydenbauer Center facility (the “Center”).

1. **Premises.** Licensor, subject to the terms and conditions contained herein, grants to Licensee the non-assignable right to use and occupy those portions of the Center as further set forth on **Schedule A** (the “Premises”) during the License Term (as defined below) (the “License”). It is understood that Licensee shall have the right of ingress and egress through the halls and corridors of the Center but acquires hereby no other right in any other part of the Center other than the Premises.

2. **Purpose.** The Premises are to be used solely for the purpose of XXXX (the “Event”). Licensee certifies that XXXX is, and shall be, for purposes of this Agreement the “Authorized Representative” of Licensee, and shall have full authority to bind Licensee, with respect to any written or verbal order for goods and services to be provided by Licensor.

3. **License Term.** The term of this License shall be as set forth in **Schedule A** (the “License Term”).

4. **Rent.** Licensee agrees to pay Licensor, as rent for the use of the Premises, the amounts as specified in **Schedule A** (the “Rent”). Licensee also agrees to pay Licensor those deposits as further set forth in **Schedule A**. Except as otherwise set forth herein, in the event of cancellation of the Event the Rent, deposits or other fees paid shall be non-refundable.

5. **Support Personnel, Equipment and Services.** The Licensor reserves the exclusive right to furnish, install, or provide electrical services, catering services, concession services, cleaning services, internet connection services, and telephone services. Licensor or its agents shall provide all exclusive services and all equipment in support of the Event at Licensee’s expense to be paid at the then-current rates fixed by Licensor. In addition, in consideration of Licensor reserving the Center for Licensee’s Event, Licensor agrees to enter into this Agreement on the condition that Licensee covenants to purchase from Licensor at least **Dollars** (\$) worth of Ancillary Services (as defined below) at the then-current rates fixed by Licensor for each day, or portion thereof, of the License Term (each, an “Event Day”). For purposes of this Agreement, “Ancillary Services” shall be defined as those services provided by Licensor or its agents, including, but not limited to, catering services, technical services, non-standard equipment rental, personnel and labor services, and audio/visual services. “Ancillary Services” shall not include Washington State sales tax, concessions, event insurance, or parking. For purposes of this Agreement, for those Event Days dedicated to move-in or move-out, Licensee shall be obligated to purchase Ancillary Services in the amount of one-half of the per diem set forth above. In the event Licensee does not purchase the minimum per diem amount of Ancillary Services set forth herein, Licensee will still

be obligated to pay Licensor the full per diem amount for each Event Day, or portion thereof. Licensor shall invoice Licensee for the minimum per diem amount set forth above, or for the actual amount of the Ancillary Services purchased by Licensee, whichever is greater, at the time of the final invoice.

6. **Utilities.** Licensor will provide customary lighting, heating, air conditioning, electricity, and water at no additional cost to Licensee; provided, however, that Licensee shall pay the cost of any special lighting, electricity, gas, water, telephone, or other utilities or services required for the Event. It is specifically understood that in the event Licensor is unable to furnish any of the foregoing services resulting from circumstances beyond the control of Licensor, then such failure shall not be considered a breach of this Agreement.

7. **Production Requirements.** At least thirty (30) days prior to the Event, Licensee shall provide Licensor a full detailed description of Licensee's requirements for the Event, including, but not limited to, any stage, sound, or lighting equipment, chair or table set-ups, personnel services and such other information as may be required by Licensor. Licensee shall also provide a floor plan indicating all spaces to be used in connection with the Event at least sixty (60) days before Licensee publishes or distributes any material for the Event for approval by the Fire Marshall. The floor plan to be provided by Licensee shall set forth all information pertinent to operating policies for the Event. Licensor hereby reserves the right, by written notice to Licensee within ten (10) days of receipt of the floor plan, to require Licensee to make such changes, deletions and additions in the floor plan and the operation policies described therein as Licensor and Fire Marshall may deem necessary or desirable for the safe and efficient operation of the Center.

8. **Payment.** All Rent and other fees for any and all Ancillary Services and other items due Licensor shall be made on or before thirty (30) days after the expiration of the License Term. Thereafter, any amounts outstanding shall bear interest at a rate of eighteen percent (18%) (or the maximum permitted by law) per annum computed daily from the date due until the date paid. Prices set forth in this Agreement reflect a cash payment discount of 3%. This discount shall not apply to credit card payments in excess of \$50,000.00, and the balance owed by Licensee shall be adjusted accordingly. If Licensee intends to pay by credit card, Licensee shall notify Licensor a minimum of 72 hours prior to the Event.

Licensor shall credit to Licensee an amount equal to twenty percent (20%) of the caterer's gross food and beverage receipts for hosted services rendered (excluding tax/gratuity); provided, however, that the such credit shall not exceed the amount of Rent due and applies solely to those catering services provided by the Center's exclusive caterer. Licensee shall provide the Center with a minimum amount of anticipated food and beverage needs at least three (3) business days prior to the Event and Licensee shall be obligated to pay for such food and beverage costs regardless of whether the Event occurs. Licensor will notify Licensee of changes in the prevailing rates that occur sixty (60) days prior to the commencement of the License Term and Licensee shall be obligated to pay the prevailing rates on the date of the Event. Parking at the Center is available

at prevailing rates on a first-come, first-served basis. Checks shall be made payable to “Meydenbauer Center”.

9. **Event Planner’s Guide.** Licensee acknowledges that it has been provided with a copy of Meydenbauer Center’s Event Planner’s Guide (as amended from time to time) and such Event Planner’s Guide are hereby incorporated in this Agreement by reference. Licensee shall comply and shall ensure that its agents, employees, licensees or invitees comply, fully with said Event Planner’s Guide. Any breach of said Event Planner’s Guide by Licensee, its agents, employees, licensees or invitees shall be a breach of this Agreement.

10. **Insurance.** Licensee shall provide proof of coverage in the amounts of One Million Dollars (\$1,000,000) of Combined Single Limit, Commercial General Liability coverage to include; Comprehensive Form, Premises/Operations, Contractual Broad Form Property Damage and Products/Completed Operations. The term of such coverage shall coincide with the dates of the Event, including move-in and move-out. All insurance required under this Agreement shall be insured by insurance companies approved by Licensor and authorized to do business in the State of Washington. Such insurance shall specifically include Licensor, its directors, officers and its employees, and the City of Bellevue, as additional insured and shall contain the specific provision that the policy may not be canceled or reduced by the insurance carrier without giving twenty (20) days prior written notice to Licensor and Licensee. It is understood and agreed that such insurance shall cover any damage or injury to any and all persons attending, or property connected with, the Event. If Licensee has not provided Licensor with a letter regarding its self-insurance status or insurance certificate at least thirty (30) days prior to the Event, Licensor shall have the right to obtain such insurance at Licensee’s expense without prior notification to Licensee of such action. It is agreed and understood that it is Licensee’s sole obligation to obtain such insurance and if Licensor is not able, or unwilling, to obtain such insurance, Licensor may terminate this Agreement and the Event may be canceled at Licensor’s sole discretion. In such event Licensee shall be liable for all Rent and other amounts pursuant to this Agreement and Licensor shall not be responsible for any expenses or losses sustained by Licensee resulting therefrom. Licensee agrees to provide Workman’s Compensation Coverage for Licensee’s employees to comply with the laws of the State of Washington.

11. **Indemnification.** Licensee shall indemnify, hold harmless and defend Licensor, its directors, officers, agents, employees and invitees, from and against any and all losses, claims, liability, damage, action, judgment recovered from or asserted against them or the Center or any other expense (including, without limitation, reasonable attorneys’ fees and expenses) arising out of, due to, or relating to (i) the Event, (ii) Licensee’s use of the Center or the Premises, (iii) the conduct of Licensee’s business in connection with the Event, (iv) the acts or omissions of Licensee, its agents, employees, invitees or other third party for whose actions Licensee is responsible, (v) Licensee’s breach or default in the performance of any of its obligations under this Agreement, (vi) any act or omission of negligence by Licensee, its agents, employees, invitees or other third party for whose actions Licensee is responsible, or (vii) any claims or actions for the unauthorized use by Licensee, its agents, employees, invitees or other third party for whose actions Licensee is responsible, of any intellectual property in connection with the Event or the use of the Center.

Licensee's indemnification obligations shall not be effective to the extent that the damage or injury results from Licensor's gross negligence. Licensee hereby assumes all risk of damage or injury (i) to its property and the property of Licensee's agents, employees, invitees or other third party for whose actions Licensee is responsible, placed in the Center, and (ii) to its officers, directors, employees, agents, contractors, invitees or any attendees at the Event or in or about the Center, and hereby waives all claims in respect thereof against Licensor, except to the extent such damage results directly from the gross negligence of Licensor. All of the foregoing obligations of Licensee under this Section 11 shall survive the expiration or other termination of this Agreement.

12. **Defacement of Property, Signs and Posters.** Licensee shall not do, or permit to be done, anything that will tend to injure, mar or in any manner deface the Center and will not drive or install or permit to be driven or installed any nails, hooks, tacks, or screws into any part of the Center, and will not make or allow to be made any alterations of any kind to the buildings, facilities or equipment of the Center. Licensee shall not post or exhibit or allow to be posted or exhibited any signs, advertisements, show bills, lithographs, posters or cards of any description on any part of the Center without the prior written consent of Licensor. Licensee shall indemnify Licensor for any damage to the Center in connection with the Event.

13. **Security Measures.** Any security measures that Licensor may undertake are for the protection of the Center only and shall not be relied upon by Licensee to protect Licensee, its employees, agents, invitees, attendees or visitors or their property.

14. **Default by Licensee.** Licensee shall be in default of this Agreement if Licensee (i) fails to pay any amount due under this Agreement, (ii) breaches any provisions of this Agreement or any Rules and Regulations promulgated by Licensor, (iii) violates any applicable laws or ordinances during the License Term, or (iv) should dissolve or cease doing business as a going concern, files for bankruptcy or makes an assignment for the benefit of its creditors. For any other breach Licensor may pursue any other remedies available to it either by procedure, policy, or at law or equity, including but not limited to, the cancellation of Event or the termination of the License. The rights and remedies hereto given to Licensor shall be deemed cumulative and no single or partial exercise of a right or remedy shall preclude any other or further exercise of a right or remedy.

15. **Cancellation; Termination.** In the event this Agreement or the Event is terminated by Licensor for cause or by Licensee for any reason, the parties agree that damages would be difficult to ascertain and that the Rent and the minimum per diem amounts payable for the Ancillary Services for each Event Day is a reasonable measure of such damages. In no event shall Licensor shall be under an obligation to relicense the Premises or any portion thereof. Any and all amounts owed to Licensor hereunder are in addition to any other amounts Licensee is obligated to pay Licensor under this Agreement.

16. **Vacation of Premises.** In the event that the Center or any portion thereof is not vacated by Licensee at the end of the License Term, then Licensor shall be and is hereby authorized to

move from the Center, at the expense of Licensee, any and all goods, wares, merchandise and property of any and all kinds of description, which may be then occupying the Center, or portion thereof which is not timely vacated. Licensor shall not be liable for any damages or loss to said goods, wares, merchandise or other property which may be sustained by reason of such removal, or the place to which it may be removed and Licensor is hereby expressly released from any and all claims for such damages. For such additional periods beyond the License Term that Licensee holds over, the parties agree that damages would be difficult to ascertain and that Licensor shall be entitled to an amount as liquidated damages for each day held over equal to the amount of the total Rent. This Section 16 shall survive the termination or expiration of this Agreement.

17. **Force Majeure.** If the Premises or any part of the Center is destroyed or damaged by fire, earthquake or any other cause, or if any other casualty or unforeseen occurrence renders the Center unsafe or impracticable to use, in Licensor's sole discretion, then this Agreement shall be terminated and Licensee shall be entitled to reimbursement of the paid but unearned portion of fees and charges for services; provided, however, that if any act omission of Licensee, its agents, employees, invitees or other third party for whose actions Licensee is responsible, rendered the Center unsafe or impracticable to use then Licensee shall be liable for all fees charged hereunder as well as any and all accrued charges in addition to such other damages as may result from such acts or omissions. Licensee hereby waives any claims for damages or compensation from Licensor on account of such termination.

18. **Interruption or Termination of the Event.** Licensor retains the right to cause the interruption or the cancellation of the Event in the interests of public order or safety, in Licensor's sole discretion. Licensee hereby waives any claim for damages or compensation should this License be so terminated.

19. **Laws and Regulations.** Licensee will comply with all applicable local, state and federal laws and all lawful orders of police and fire departments or any other municipal authority, and will obtain, and pay for, all necessary permits, taxes and licenses required in connection with the Event. Licensee shall not do, nor suffer to be done, anything in the Center during the License Term in violation of any applicable laws, ordinances, rules or orders.

20. **Nondiscrimination.** With respect to its activities conducted in the Center during the License Term, Licensee agrees to comply with all federal, state, and local laws prohibiting discrimination by reason of race, color, age, sex, marital status, sexual orientation, political ideology, creed, religion, ancestry, national origin or the presence of any sensory, mental or physical handicap or the use of a trained dog by a blind, deaf or physically disabled person.

21. **Non-Exclusive Right.** Licensor retains the right to use and/or license the use of such portions of the Center as are not licensed to Licensee by this Agreement. Licensor warrants however, that it will not authorize or permit any other licensee to engage in operations or activities that would unreasonably interfere with Licensee's enjoyment of the rights granted under this License.

22. **Advertising.** Licensee agrees not to allow any advertising of the Event to imply that Licensor is sponsoring or co-sponsoring the Event unless agreed to in writing by Licensor. Licensee agrees that all advertising of the Event will be honest and true, and will include accurate information. Any fees, costs or expenses in connection with the advertising of the Event shall be the sole obligation of Licensee.

23. **Assignment or Transfer.** Licensee shall not assign, transfer or encumber this Agreement, nor the License granted hereby, nor shall Licensee permit any other person to occupy the Premises or the Center, other than exhibitors or invitees without the prior written consent of Licensor.

24. **Governing Law; Arbitration; Attorney's Fees.** This Agreement is to be governed by and construed in accordance with the laws of the State of Washington. If any dispute, difference or disagreement shall arise upon or in respect of this Agreement, every such dispute, difference and disagreement shall be referred to a single arbiter sitting in Seattle, Washington agreed upon by the parties or, if no single arbiter can be agreed upon, an arbiter shall be selected in accordance with the rules of the American Arbitration Association and such dispute, difference or disagreement shall be settled by arbitration in accordance with the then prevailing commercial rules of the American Arbitration Association, and judgment upon the award rendered by the arbiter may be entered in any court having jurisdiction thereof. The arbitrator's award shall be final and conclusively binding upon the parties herein, their heirs, legal representatives, successors and assigns. In the event an arbitration, suit or action is brought by any party under this Agreement to enforce any of its terms, or in any appeal therefrom, it is agreed that the prevailing party shall be entitled to reasonable attorneys' fees and costs.

25. **Notice.** For the purposes of notice or demand, the respective parties shall be served by certified or registered mail, return receipt required, at the addresses next to their signatures.

26. **Entire Agreement.** This Agreement, the Rules and Regulations, as amended from time to time, and any schedules, exhibits or addenda attached hereto, contain and embody the entire agreement of the parties hereto and representations, inducement or agreements, oral or otherwise, between the parties not contained and embodied herein shall not be of any force and effect. This Agreement may only be altered, changed or amended by an instrument in writing signed by both parties hereto.

27. **Severability.** If any section, subsection, clause or provision of this Agreement is held invalid, the remainder shall not be affected by such invalidity.

28. **Waiver.** No term, covenant or condition of this Agreement shall be deemed to have been waived by Licensor unless such waiver is in writing and signed by Licensor.

29. **Intellectual Property.** Licensee assumes all liabilities, obligations or costs arising from the use of patented, trademarked, or copyrighted materials, equipment, devices, processes or

dramatic rights used or incorporated in the Event and Licensee agrees to indemnify and hold harmless Licensor, its directors, officers, agents, employees and invitees, from all damages, costs and expenses (including reasonable attorneys' fees and costs) in law or in equity in connection therewith and will defend Licensor from any such suit or action, whether it be groundless or fraudulent.

30. **Time of Essence.** Time is of the essence in the performance of all covenants and conditions in this Agreement for which time is a factor.

31. **Counterparts.** This Agreement may be executed and delivered by each party hereto in separate counterparts (including by means of facsimile or other electronic means), each of which when so executed and delivered shall be deemed an original and both of which taken together shall constitute one and the same agreement.

IN WITNESS WHEREOF, we the parties hereto have executed this Agreement on the day first written above.

Indemnification and Insurance

All parties using Meydenbauer Center hold the Center harmless for any and all damage done by their party. This includes both personal harm and physical damage done to the facility. Meydenbauer Center does not hold insurance on the personal property of its users and is not liable for loss, theft or damage to property belonging to the user or its attendees.

You must provide adequate insurance coverage for your event as outlined in the License Agreement including general liability, product and operations liability, personal injury liability, and workman's compensation. Licensee shall provide proof of coverage in the amounts of one million dollars (\$1,000,000) of Combined Single Limit, Commercial General Liability coverage to include: Comprehensive Form, Premises/Operations, Contractual Broad Form Property Damage and Products/Completed Operations. The term of the coverage should coincide with the dates of occupancy, including move-in and move-out.

Bellevue Convention Center Authority must be listed as additional insured. Organizations that are self-insured must also supply appropriate documentation in the form of a certificate of insurance. The certificate shall be furnished thirty (30) days before the first move-in day of the event and may not be canceled without thirty (30) days advanced written notice to Meydenbauer Center.

If you do not currently have insurance coverage you may apply for special event insurance through **Event Insurance Now** or any insurance provider of your choice. The application for insurance is available at www.eventinsurancenow.com. Please complete the form online then e-mail a copy of the certificate of liability insurance to Meydenbauer Center.

Licenses and Permits

The Licensee is responsible for obtaining all licenses, permits and approvals from the appropriate regulatory boards and authorities that may be required for, but not limited to, staging the event (including business licenses, special occasion and special events licenses). The cost of these licenses is the responsibility of the Licensee.

Meydenbauer Center operates under its own liquor license as the exclusive food and beverage provider. Contractors must obtain and keep current all business licenses, certificated and permits as may be required by federal, state or local laws or regulations.

Event Cancellations

In the event of a cancellation, the room rental total listed on the Schedule A and ancillary service requirement listed in article 5 of the License Agreement will be due at the time of cancellation. If an event is cancelled within 10 business days of the first move in day, 25% of all estimated food and beverage services or the ancillary total listed in License Agreement, whichever is higher, will be due at the time of cancellation. If the event is cancelled within 3 business days of the first move in day, 100% of all estimated food and beverage services or the ancillary total listed on the License Agreement, whichever is higher, will be due at the time of cancellation.

Payment Requirements

Permit Application

Established clients can be billed for ancillary services (i.e., catering, technical services, service charges and labor fees) following their event. New clients must complete Meydenbauer Center's Permit Application and receive approval from the finance department in order to host an event at Meydenbauer Center. The Permit Application can be downloaded from the resources page on Meydenbauer Center's website or obtained from your Event Manager.

Space Rental

Deposits for room rental are due in full prior to the event. Payment schedules are determined based on the approval of a permit application. New clients or clients with a history of late payments may be required to pay full space rental charges when contracting their events. Clients with delinquent accounts will not be eligible to hold space and will not be issued new contracts until their outstanding balance is paid in full.

Ancillary Services

A 50% to 100% deposit may be required for ancillary services (i.e., catering, technical services, service charges and labor fees) prior to your event. Groups typically requested to pay in advance for these services include new clients, clients with a history of late payments, or those who are not "established clients."

Payment Methods

Meydenbauer Center accepts credit cards (Visa, Mastercard, Discover, American Express), cash, checks, cashier's checks or money orders for deposits and payments for additional services ordered during your event. If you choose to pay by credit card please complete a Credit Card Authorization form provided by your Event Manager. Credit card payments over \$50,000 will incur an additional 3% processing fee.

Final Invoicing

Final invoicing will be completed and emailed by the accounting department within 5-7 business days following the conclusion of the event. Clients will have 30 days to pay any applicable remaining balances.

Meeting Rooms

Room rental rates at Meydenbauer Center are established based on the amount of space used and the type of event. Room set additions such as staging and audiovisual equipment may reduce room capacities.

Standard Room Rental

“Per Day” rates are for activities within a 16-hour window between 5:00am – 11:59pm. Additional rent will be charged hourly for rental past standard hours.

Standard Room rental includes one room set-up per day, per room configuration based on availability including:

- Theater, classroom, boardroom, or banquet-style set
- Up to five skirted tables for registration purposes
- One standing lectern
- One wired, handheld or podium microphone
- Risers in fourth floor meeting rooms
- Up to 48’ wide x 24’ deep stage in Center Hall (or up to 18 stage pieces)
- Up to 50 feet of house pipe and drape (excluding exhibits)
- Head table / speaker water service
- Two 10-amp electrical connections for event management purposes
- House lighting, ventilation, heating or air conditioning during scheduled event hours
- Cleaning of premises during and after event (does not include cleaning interiors of exhibit booths).
- Registration space is available to licensees at no additional charge on an “as available” basis and in consideration of other tenants
- Two wireless connections for use at registration

Additional Services & Equipment

Additional services and equipment are available for rental upon request and may incur additional fees. Contact your Event Manager for a full price list.

Catering

Your Exclusive Caterer

Meydenbauer Center is the exclusive provider of all food and beverage services. No food or beverages of any kind may be brought into the Center by the client or any of the client's guests. Trade show exhibitors who wish to sample food or beverage items are limited to 1 ounce portions of food and 2 ounce portions of beverages.

Menu selection

Meydenbauer Center will customize any menu upon request to meet dietary restrictions (gluten free, dairy free, kosher, vegan, etc.). Vegetarian meal options are included with all served entrees and are automatically prepared for three percent (3%) of your final meal count. If you determine that vegetarian requests will exceed three percent (3%) of your count, additional options can be arranged through your Event Manager.

All menu selections will be due at least two weeks in advance of your function date. Menu selections are limited to two entrees per served meal plus a vegetarian option. An exact count is required for each selection and all entrees will be charged at the highest price.

20% Food and Beverage Credit

A rental credit is given in the amount of twenty percent (20%) of the gross food and beverage receipts for hosted services rendered. Credit will not exceed base room rental due and applies only to hosted services. Rental credit excludes services charges and tax.

Guarantees

In order for us to service your group at Meydenbauer Center, **we require that you notify us of your final guaranteed attendance no later than 12:00 Noon, three business days prior to your event.** This number will be considered your final guarantee, which cannot be reduced. Should we not hear from you prior to the specified time, we will consider the originally estimated number as your final guarantee.

Cancellations

If any part of an event is canceled less than 10 days prior to the event, a cancellation fee of 25% of estimated food and beverage charges will be applied. If the entire event is canceled within three days, full charges will be applied.

Small Group Fees

A \$50 labor charge will be applied to each meal services for groups with thirty (30) or fewer attendees. A \$25 labor charge will be applied to each beverage service for groups of thirty (30) or fewer. Standard breakfast, lunch and dinner buffets are **not** available for groups of thirty (30) or fewer; however, we are

more than happy to develop a custom menu for your group under thirty (30) guests. Please note that these fees do not apply to the Executive Conference Packages.

Taxes & Service Charges

A taxable 22% service charge and current Washington state sales tax will be applied to all food and beverage services. Washington state sales tax as of March 2017 is 10%.

Excess Food

Meydenbauer Center adheres to state and local health guidelines which dictate that food items provided by Meydenbauer Center must be consumed during the specific event and may not be taken off property. To minimize potential waste we work closely with event planners to determine the proper quantities of food to prepare. After the event, any excess prepared food is donated under regulated conditions to agencies feeding disadvantaged individuals or composted when donations are not possible.

Bars and Alcohol Service

Meydenbauer Center operates under its own liquor license as the exclusive food and beverage provider. Cocktail, beer and wine are purchased on a per drink basis. The Washington State Liquor Control Board regulates all alcoholic beverages and services. As the holder of the alcoholic beverage license for Meydenbauer Center, we are responsible for the administration of these regulations within the facility. Meydenbauer Center staff is trained in alcoholic service awareness in an effort to protect you and your guests. Under no circumstance will alcohol be served to intoxicated or underage persons.

Meydenbauer Center beverage service staff receives training in the Washington State Certified TIPS Program in an effort to protect you and your guests. In addition, no alcoholic beverages may be served or provided by any source other than Meydenbauer Center. Per the license issued by the Washington State Liquor Control Board, all groups are required to provide food in conjunction with alcohol service.

The Center's catering department will determine the appropriate number of bars and the hours of operations to meet the needs of your guests. Our standard is one bar per 125 guests. This may be adjusted based on factors such as hours of service, group history, sales and whether the service is cashed or hosted. If you choose to follow our recommendations for bars there are no bar set-up or bartenders fees that are common at some hotels or banquet facilities. If you wish to add bars or extend the hours beyond our recommendation, we require guaranteed sales of \$150 per bar, per hour of operations. After the event, you will be charged the difference between what you guaranteed and what was spent.

Donated Wine and Champagne

Meydenbauer Center may allow nonprofit charitable fundraising groups to provide donated wine and champagne to be served for a corkage fee of \$14 per bottle. Sales tax and the standard service charge of 20% will apply to the corkage fee. Only 750 milliliter bottles may be served. Groups who provide donated wine for their event will be required to obtain and display a Special Occasion permit. This permit can be purchased online at <http://liq.wa.gov/licensing/special-licenses-and-permits>.

Audiovisual Services and AV Factory

AV Factory

Audio Visual Factory (AV Factory) is the preferred in-house supplier of audiovisual services at Meydenbauer Center. As a full-service audiovisual company, AV Factory can provide all of your audiovisual equipment, as well as video projection, teleconferencing, show production, staging, lighting packages, and professional technician's onsite throughout your event. Your Event Manager will work closely with you and your AV Factory representative to determine the best audiovisual set for your program.

Groups using AV Factory as their AV provider will receive discounted power rates, complimentary use of the house sound system for voice amplification and recording and access prior the contracted event start time.

Outside AV Provider

If you decide to use an outside AV provider, Meydenbauer Center requires that the safety of all persons present in the facility take precedence over an issue or dispute regarding a room set up or vendor request. Event Managers are authorized to define safety hazards and to take any corrective action necessary to alleviate the safety violation, including having the violation removed completely regardless of the impact to an event. Any outside AV provider must have its own insurance coverage equal to or greater than the coverage required for your group.

Outside audiovisual providers may bring their own stand-alone sound system for voice amplification and recording. If they choose to use Meydenbauer Center's sound system, patch fees to offset the staff costs for operating and maintaining the system will apply. Charges for the electrical service to power the company's equipment will also be applied.

The following presentation equipment is included in the room rental for all groups using AV Factory or an outside AV provider:

- One lectern-including dimming light and gooseneck microphone stand
- One wired microphone
- One drop-down projection screen (fourth floor, fixed locations)

- Two 10-amp electrical connections for event management purposes (*registration, name tag printers, communication devices, etc.*)

For additional information about AV Factory prices and services at Meydenbauer Center please inquire with your Event Manager.

Technical Services (Telecom/ Internet/Electrical)

Meydenbauer Center offers comprehensive in-house services and professional staff to ensure seamless coordination of all technical needs for your event. Meydenbauer Center is the exclusive provider of all telecommunication and Internet services for the facility, offering a single point of contact and coordination throughout planning, set-up and the event itself. Your Event Manager and our technical team will work with you to coordinate equipment and services and troubleshoot day-of-event issues to keep everything running smoothly.

Technical Services rates vary depending on when orders are placed. To receive the Advance Rate, orders must be received fourteen (14) days prior to the show's first contracted move-in day. The Standard Rate applies to orders placed thirteen (13) days or fewer prior to contracted move-in date. The Event Rate applies to exhibitor orders made on or after the contracted move-in date. Standard rates apply to on-site orders by show management.

Your Exclusive Internet Provider

Meydenbauer Center is fully wired to easily provide connectivity to event management, exhibitors and attendees throughout the facility. Meydenbauer offers bandwidth from 3Mbps shared to 1Gbps. Our bandwidth is delivered via internal gigabit fiber backbone with 10/100Mbps speed to the exhibit halls, meeting rooms and public spaces.

We offer:

- Shared Ethernet connection
- Dedicated managed V-LAN, providing access to a connection
- Dedicated unmanaged V-LAN, for connection to personal servers
- Building-wide wireless
- Customized services upon request

Wireless Connectivity

Meydenbauer Center provides internet access service through the operation of wireless 802.11ac Smart Wi-Fi Access Points. The building-wide system provides several levels of connectivity for event management, exhibitors and attendees.

You can select one of several options to meet the needs of you and your guests:

- 2nd Floor Hotspot, a limited hotspot on the Level 2 balcony
- MC Show Management, two complimentary wireless connections at registration for show management
- MC Get Wi-Fi, a robust building-wide network that allows guests to purchase individual connections with download speeds up to 5Mbps
- MC Event Wireless, easy internet access for up to 2,000 devices with access speeds up to 5Mbps and customizable SSIDs and landing pages
- Customized services upon request

Meydenbauer Center's wireless system is ideal for web surfing, messaging and checking web-based email. Access to service is provided through specific wireless networks. If the data requirements for your event attendees are high, or if simultaneous interactive data transmission is a desired element of your event, Meydenbauer Center may be able to configure a more robust custom wireless network to accommodate your needs. Please speak with your Event Manager for additional information.

Meydenbauer Center does NOT recommend wireless services for mission critical services such as product presentation or demonstrations. For demonstrations or to present products and other mission critical activity via the Internet, Meydenbauer Center recommends that clients purchase dedicated hardwired services.

Any wireless service is inherently vulnerable to interference from devices that transmit similar radio frequency signals or that operate within a shared frequency spectrum. Meydenbauer Center cannot guarantee that interference will not occur.

Restrictions:

Due to the extensive coverage provided by Meydenbauer Center, customer-provided access points are discouraged for use within the facility. Individual "hotspots" delivered through cellular providers are one of the leading sources of interference that can impact the quality of the service. We strongly encourage event management to support this message and we have resources available to assist you if needed.

Lawful Use:

Meydenbauer Center's wireless service is intended to allow you to access the internet in order to use, amongst other things, the worldwide web, email and messaging services. We require that your behavior while using the service will be lawful, honest and proper. This means that you may not use the service for any illegal purpose, access or attempt to access the service provided to any other user, use the service in such a manner as to host a web or other server, send or facilitate the sending of bulk email or collect third party personal data without appropriate consent or exceed any relevant download limitations.

We may terminate your use of service at any time without notice if we become aware of any behavior that is unlawful, has a negative impact on our equipment, our network, the internet in general or damages, or potentially damages, our reputation or standing.

Wireless Guaranteed Attendance

In order for us to deliver service to your group, we require that you notify us of your final guaranteed attendance no later than 12:00 Noon, three business days prior to your event. This number will be considered your final guarantee, which cannot be reduced. The guaranteed attendance for your food services will match the guaranteed attendance for wireless.

Should we not hear from you prior to the specified time, we will consider the originally estimated number as your final attendance guarantee.

Electricity

If you need five amps to power a laptop and LCD projector, power for a full lighting production, or a distributed electrical network for trade show exhibitors, Meydenbauer Center can configure, route and deliver the power necessary. With advance notice, on-site technicians can assist in specialty hook-ups as well. Meydenbauer Center does not have an on-site electrician. An electrician will need to be brought in to support bare wire connections and other specialty connections. Please inquire on pricing with your Event Manager.

*Clients using AV Factory, Meydenbauer Center's preferred AV provider, will receive a discounted power rate for AVF power needs.

Rigging

A rigging plan showing all loads and methods of suspension must be pre-approved by Meydenbauer Center at least 30 days in advance of your event. Rigging plans must include a list of all flown equipment as well as point weights. During review any overweight points or non-compliance with regulations will be addressed and corrected, upon which, plans must be resubmitted for approval. Any rigging that is found to be incorrect or unacceptable shall be made safe or removed at the expense of the contractor responsible. All rigging must be completed by a certified rigger.

All steel in the Center Hall grid is encased in a soft, black, fired retardant material. Canvas, burlap, carpet or similar wrapping must be provided to prevent damage.

If your event involved rigging in Center Hall please note the following information:

- The grid centerline in the exhibit hall is not the room centerline. Grid steel center to center measurements are 30' typical and 31.5' above the floor. CAD diagrams are available upon request to show the grid with all potential rigging points in Center Hall.
- Do not use the copper mesh on the Center Hall ceiling or associated hardware as an attachment point for anything.
- Rigging is not permitted in any 4th floor meeting rooms.
- "Beam walking" is strictly prohibited. Overhead work must be performed within OSHA/WISHA standards including the appropriate use of lifts and harnesses.
- Do not place cable, wire or lines across or around dance floors.
- Do not rig from movable walls, wall tracks or associated trim and hardware, light fixtures, speaker boxes, conduits, sprinkler pipes, "EXIT" signs, door hardware, ventilation grills, or any other non-approved rigging 'point.'
- Conductor cable, wire and other lines must go 'up and over' any door or egress aisle displaying an "EXIT" sign and must be rigged at least 8' above the floor. Cable troughs are provided in each of the fourth floor meeting rooms to support this requirement; however, AV companies must provide the appropriate amount of cabling to support the set.
- Cable ramp must be used in certain situations and requires approval from Meydenbauer Center's Technical Services personnel.
- Contractor(s) assume all liability in regard to the use of cable ramps.
- Limited banner hanging is permitted in the lobby space. Check with your Event Manager for approved locations.
- CAD diagrams are available upon request.

Parking/Transportation

Meydenbauer Center Garage

Meydenbauer Center has a 430-stall underground parking garage. Parking is available on a first come-first serve basis. The garage height limit is 6'9", which can accommodate most full-size, half-ton vans without roof racks or air vents. Trailer and long term truck parking is not permitted in the garage. Meydenbauer Center has nine accessible stalls split between the three levels of the parking garages. Additional accessible stalls may be coordinated with your Event Manager if needed. Meydenbauer Center will determine a parking plan to meet your specific event needs.

Event and Daily Parking Rates

Standard, daily parking rates are hourly and do not include in-and-out privileges. Flat event parking rates may be established depending on event activity and length of event. Parking can be validated for your staff and/or attendees, or guests can pay on their own. If parking is validated, the charges will be added to the group's final invoice. Each event receives two complimentary parking passes.

Overflow Parking

In the event Meydenbauer Center's garage fills, arriving vehicles will be directed to the nearest available off-site parking area. Meydenbauer Center's parking manager can arrange overflow parking availability and direct guests for easy and seamless parking solutions. There are over 2,000 parking spaces located at neighboring garages and open lots; however, parking availability is limited during weekday business hours. A current list of nearby parking facilities is available upon request. Overflow parking for oversize vehicles may be available. Contact your Event Manager if you need to arrange for oversize vehicle parking.

Additional Transportation Options

As multiple events in the building may sometimes limit availability, we encourage you to discuss alternate transportation and parking options with your Event Manager. You may also want to check Metro's commuter services at the **King County Metro** website. The Bellevue Transit Center is approximately one block west of Meydenbauer Center on NE 6th Street and 110th Avenue NE providing quick and convenient access to most Seattle-King County area transit routes.

Exhibitor Move in/Move out

Meydenbauer Center will provide flatbed carts for use during move-in/move-out, on a first-come, first-serve basis. Flatbed carts are not intended for use in the passenger elevator. To avoid congestion and delays, exhibitors are encouraged to bring their own wheeled equipment to help with freight movement.

For tradeshow, consumer shows or meetings with over 30 exhibitors, Meydenbauer Center will contract two additional staff members to assist with exhibitor move in and move out at the meeting planner's expense. These staff members will be on site for the duration of exhibitor move in and move out to provide carts and directions to exhibitors.

We ask meeting planners to provide Meydenbauer Center with a schedule of all exhibitor and third party deliveries, as well as move-in/move-out times. A schedule of delivery arrival times is required 15 days prior to the first move-in day. Meydenbauer Center has three options available for exhibitor access.

Option #1 – Parking Garage

Vehicles without trailers, and those that are no higher than 6'9", should use the designated load/unload area inside the Meydenbauer Center garage. During posted hours, the reserved exhibitor load/unload area on Level P1 is serviced by a convenient freight elevator that provides access directly to the Exhibit Hall floor.

Option #2 – Exhibit Hall Roll Door

Vehicles that are higher than 6'9" or those with trailers may use the outside area along the north side of the Exhibit Hall if arrangements are made in advance. Because of space limitations, vehicles should be unloaded as quickly as possible then moved to alternate parking areas.

Option #3 – Exhibit Hall Loading Dock

The three-bay loading dock is reserved for larger vehicles that can easily transfer a load to a 48" high platform. For efficiency, vehicle arrival times will be scheduled through show management and confirmed with your Event Manager. To accommodate other scheduled deliveries, vehicles should be unloaded as quick as possible then moved to alternate parking areas.

Staging in the alley adjacent to the loading dock or on 112th Ave NE is strictly prohibited. Exhibitors who attempt to stage their trucks in those locations will be redirected to an oversize vehicle parking lot.

Freight Deliveries & Storage

Please notify your Event Manager of any special delivery requirements. Meydenbauer Center can accept advance show management freight shipments up to three business days prior to the effective date of the License Agreement depending on storage space availability. All deliveries arriving during the period of your License Agreement will be received by Meydenbauer Center Security and delivered to your event space. All deliveries should be shipped to our standard mailing address (11100 NE 6th Street, Bellevue, WA 98004) and prominently labeled with client contact information and event name.

Storage space is limited in the Center, so storage of exhibitor materials should be coordinated through a contracted show decorator.

Pallets & Crates

Mats to protect carpeted areas will be provided by Meydenbauer Center and must be in place prior to any pallets being set on the carpeting. All event-related pallets and crates must be removed from the facility by the expiration of the License Agreement. Failure to remove pallets and crates will result in additional fees on the final invoice.

Security

Meydenbauer Center Security Officers

Meydenbauer Center provides 24-hour security staff for general building security. Their responsibility includes periodic patrol of the interior and exterior of the facility, response to requests for assistance, door lock and unlock as necessary, and emergency response.

Hired Event Security and Armed Police Officers

Some events may be required to provide approved security staff and/or law enforcement personnel depending on event size and/or event activity. If law enforcement personnel are required for event security, only City of Bellevue Police Officers may be hired. Washington State Patrol Troopers may be scheduled if city police are unavailable. All onsite security staff will be required to show a current and valid State of Washington Security License. All Meydenbauer Center provided security and police

personnel have a minimum shift requirement of four hours. Arrangements for security personnel can be made through your Event Manager.

Bellevue Police Officers may be required in the following circumstances:

- Planned attendance of over 1,000
- Event open to public admission
- Large quantities of alcohol are to be served during the event
- Age of attendees (youth, teen, elderly)
- Dance, prom, concert
- Potentially dangerous and/or controversial activity
- Requirement to disable fire detection equipment during event activity

Event Security Officers may be required in the following circumstances:

- Crowd control before, during, and after event hours
- Exhibit or event area security patrol (during event or after hours)
- Registration or ticket sales area security
- VIP or cash security and escort
- Pre-opening exhibitor and vendor check-in
- Hand Stamp (ultraviolet/ black light available)
- Door Guard/Fire Watch
- Badge or ID Check/Ticket Taker
- Multiple event guest screening

Video Surveillance

Meydenbauer Center has video surveillance equipment in all lobby spaces and fourth floor meeting rooms for the purpose of monitoring the building. Lobby space surveillance equipment is located in areas where there is no reasonable expectation of privacy and must remain on for safety and security concerns. Meeting space surveillance equipment may be turned off at the request of the meeting organizer when additional privacy is required. Please direct all privacy requests to your Event Manager.

Emergency Medical Support

Meydenbauer Center requires a dedicated nurse, doctor or certified trainer be on site and accessible to competitors during any sporting event for the sake of emergency medical support. We ask that show management ensures that all teams or competitors know the location of this person in advance of the

competition and that the emergency medical personnel be connected with our on-site security officer upon arrival. Meydenbauer Center security staff will assist in coordinating with ambulance or fire services if necessary for a medical emergency.

If show management is unable to provide a dedicated nurse, doctor or certified trainer to provide emergency medical support during a sporting competition, Meydenbauer Center will contract local EMT services at the prevailing labor rates billable to show management to provide this service. Meydenbauer Center may also assist in coordinating the service for non-sporting events upon request.

Key and Door Locks

Keys for rented areas can be issued at no charge upon request. Keys will be issued on the effective date of the License Agreement and must be returned at the conclusion of the event. A charge for each key not returned will be added to the final invoice.

If additional security is required, meeting room doors can be re-keyed and new locks can be installed for an additional charge. If new door locks are installed, the on-duty security officer will be the only Meydenbauer Center staff member with access to the key. Rented areas that have been re-keyed cannot be cleaned or refreshed unless the client is present to provide access.

Lost and Found

Lost and found items should be delivered to show management at their registration or information area during event hours. All found items remaining after an event are turned in to building security. Items are logged and secured for a maximum of 90 days. To inquire about lost items please call Meydenbauer Center's 24-hour Security Department at 425-766-7496.

HVAC

Room temperatures will vary based on the occupancy and building use. Please note we do not provide HVAC on move-in/move-out days. Temperatures have been programmed for maximum comfort and typically range between 69-72 degrees. Every effort will be made to achieve the appropriate temperature one hour prior to the contracted event start time until one hour after contracted event ending time.

Within the operational limits of the mechanical system, Guest Service Managers may authorize modifications to space temperatures upon request. Please note that while our goal is to ensure your

comfort, every effort is being made to use energy efficiently. We appreciate your support in minimizing waste.

Drones/Unmanned Aircraft Systems and/or Vehicles

The operation of unmanned aircraft vehicles (UAV) within Meydenbauer Center is prohibited unless advance approval is received from the Center. If the licensee would like to operate a UAV within the facility, the following documentation must be submitted to the Event Manager for review and approval at least 30 days prior to the event start date:

- Name of pilot operating the drone
- Pilot's experience level and other events where s/he has flown drones
- Make and model of the aircraft
- Proposed payload and payload weight
- A floor plan of designated fly-zone area to include at a minimum:
 - Description of proposed space
 - Height of safety netting proximity of general public viewing area
 - Location of safety buffer zone
 - Designation of "fly-zone"
 - Designation of "spectator/participator zone"
 - Designation of "operator zone"
- Schedule for operation
- Proposed safety procedures to reduce potential harm to attendees and property

Smoke, Haze and Fog

Theatrical use of smoke, haze or fog is not permitted inside the facility without prior approval from your Event Manager.

Concerts and Dances

Publicly ticketed events, such as concerts and dances, may require approved security staff and/or law enforcement personnel depending on event size and/or event activity. If law enforcement personnel are required for event security, only City of Bellevue police officers may be hired. Washington State patrol troopers may be scheduled if city police are unavailable.

Bellevue Police Officers may be required in the following circumstances:

- Planned attendance of over 1,000
- Event open to public admission

- Alcohol is to be served during the event
- Age of attendees (youth, teen, elderly)
- Dance, prom, concert
- Potentially dangerous and/or controversial activity
- Requirement to disable fire detection equipment during event activity

Before contracting any concert or dance, Meydenbauer Center will conduct a thorough review of the event and develop a security plan. The security plan must be approved by both parties and included in the contract as an addendum. Meydenbauer Center may take up to 7 business days to develop a security plan.

Concerts and dances are held to our standard booking minimums.

All-Age Public Events

Public events, such as dances and concerts, which are targeted at underage attendees, must be sponsored by a sanctioned organization, such as a school or non-profit group. The organizer will be required to work with their Event Manager to establish an appropriate security and staffing plan that will ensure the safety and well-being of the attendees. A contract will not be issued for the space until such a plan is in place.

Building Damage

Any event-related damage to the building or its facilities beyond normal wear and tear is the responsibility of the client. You may request arrangements to visually inspect the facilities before and after your event. If damage has occurred related to the activities of your event, the cost of repair will be added to your final invoice or billed separately upon completion of the repair.

Maintenance

Housekeeping

General cleaning of the contracted room is included in the room rental. Events using a contracted decorator should make the appropriate cleaning arrangements through the official decorator. Clients, exhibitors and decorators should remove all signage or exhibit materials by the end of their contracted move-out time.

Booth Cleaning

If you are renting exhibit booths from a decorator or other third-party vendor, booth cleaning services for your exhibit booths should be arranged through your contracted decorator. If you are renting Meydenbauer Center's exhibit booths (maximum of twenty available), cleaning services (vacuuming and trash removal) are included in your rental fees. Appropriate arrangements for these services can be made through your Event Manager.

Garbage Removal

Arrangements for the disposal of any anticipated large trash or recycle quantities or handling of specialized waste removal such as food waste, shipping crates, pallets, large volumes of packaging materials, etc. should be made through your Event Manager. Appropriate fees will be assessed for events that generate large waste volumes.

Recycling

We are committed to recycling in all aspects of our business and make recycling simple by co-mingling aluminum, paper, plastic, cardboard and glass. Large recycling bins are provided inside the event space during large move-in and move-out periods.

Hazardous Materials

Under no circumstances will hazardous waste materials be allowed on the premises.

Registration

Lobby areas adjacent to the exhibit halls, meeting rooms and the theatre are considered public circulation spaces but can be used for services such as registration, information and message centers, food service, publication distribution, and ticket sales. Use of these public lobby spaces is subject to approval by Meydenbauer Center.

Registration space will be provided as necessary and in consideration of other tenants. Lobby areas adjacent to your room will be provided at no charge. Meydenbauer Center provides limited equipment and services for your registration purposes.

Operable Air Walls

Operable air walls are used throughout the facility to divide meeting spaces and provide sound buffers. These walls extend from floor to ceiling in panels and are locked in place. For safety reasons, only Meydenbauer Center staff will handle the movement of the air walls. In order to maintain the viability

and appearance of these operable air walls we prohibit rigging, banner hanging and adherence of any materials to these surfaces.

Exits and Aisles

Aisles and exits shall be maintained free and clear of obstructions at all times. Booth constructions shall be substantial and fixed into position in specified areas for the duration of the show. Aisle width will be determined by your Event Manager and will vary depending on the room set up and occupancy level. Chairs, signs and demonstration areas shall not be placed in the required width of any exit.

Additional requirements include:

- All aisles and pathways to exits must be kept clear and accessible at all times.
- All aisles, pathways, and exits must comply with applicable disability access laws and regulations.
- All aisles established for trade show exhibitions must be at least eight feet in width, unless otherwise specified on the approved floor plan.
- Chairs must be ganged in rows of no more than 18 to allow for safe egress.
- All cables must be set up and over all doors and egress aisles.
- Illuminated “EXIT” signs are required on all drape covering the path to an emergency exit.

Signs and Special Decorations

Materials approved for hanging must be adhered to wall surfaces using pre-approved adhesive squares. Signs, banners and posters should not be physically attached to furnishings, fixtures or any part of Meydenbauer Center without prior approval of your Event Manager.

Display rails are available to display materials in all of the meeting rooms on Level 4. Easels are available upon request and availability. Banners hung from the railings by Meydenbauer Center or AV Factory may result in labor charges to the client.

Meydenbauer Center reserves the right to remove any display (signs, show decorations, posters etc.) that have been posted without approval or that Meydenbauer Center finds objectionable and not in the best interests of the Center.

For safety reasons, all decorative materials must be effectively flame proofed before installation.

All materials (signs, show decorations, posters etc.) not removed by the client by the end of the move-out period will be removed by Meydenbauer Center and all associated disposal costs and other related costs will be the responsibility of the client.

Event Equipment Rentals

The Center has the equipment to meet most of your event requirements. Your Event Manager can help arrange for any special equipment needs. Special equipment requests should be made 30 days prior to the event date to ensure availability. Associated fees may be charged to your event.

Plumbing

There are six standard faucets available in the exhibit hall. Meydenbauer Center does not provide equipment for ongoing service needs (i.e. spa or pool filtering or heating systems).

Water service to other locations in the building requires “tying in” to the building plumbing system. A professional plumber must be contracted to do the work and can be arranged through your Event Manager.

A drain service will consist of the simple emptying of a container into a city storm drain. The water must be uncontaminated, untreated and shall not cause a hazard to the environment. Water supply and drain service fees are based on gallons of usage with a minimum order of 500 gallons. Labor charges to fill, monitor or drain client equipment will also apply. The client assumes all risk and responsibility for damage caused by water, sewer and drain leaks. Meydenbauer Center can recommend plumbing contractors familiar with the facility and the client will be responsible for all charges related to this type of service during their event if such services are needed.

Animals

Service animals and police dogs are permitted in Meydenbauer Center. The animals must be leashed and under the supervision and control of their owners at all times while inside the facility.

Non-service animals are not permitted in Meydenbauer Center except in conjunction with an approved exhibit, performance or other event activity legitimately requiring the use of animals. Any animals within an event space may affect the scope of food and beverage services permissible under local health codes. Your Event Manager can assist you if your event requires the presence of animals.

Smoking

Meydenbauer Center is a non-smoking facility, including the parking garage. Smoking is only permitted outside of the building. Authorized exterior smoking areas are limited to 25 feet from the entrance doors on Level 1. This applies to both traditional and electronic cigarettes.

Gifts and Gratuities

The staff at Meydenbauer Center is prohibited from accepting any gifts or gratuities as a result of performing their duties. This policy includes any form of cash, certificates, discount coupons, contest entries, food, beverage, event/exhibit promotional material, or any other item that may have a nominal value. If you would like to recognize their efforts we encourage you to send a letter to the individual or management.

Safety and Emergency Procedures

Meydenbauer Center has the following procedures in place to address potential emergencies.

Medical Assistance

Meydenbauer Center does not require, but encourages emergency medical service (EMT) for most events. EMT service is available and can be arranged through your Event Manager.

Meydenbauer Center does have first aid supplies but does not provide or have emergency medical services on site. Medical assistance will be called in when necessary.

Fire Alarm

Meydenbauer Center is equipped with a state-of-the-art life safety system. The entire facility is protected with automatic water sprinklers and is monitored by early warning smoke and heat detectors. Building security personnel are also on duty 24 hours a day to monitor and respond to the fire/life safety system.

In the event of alarm activation, all elevators will be recalled to the ground floor and meeting room and corridor doors will automatically close. Security personnel will be dispatched to the area in alarm, and a public address announcement will be made throughout the building advising everyone to standby for further instructions. The local fire department automatically responds to all alarms at the Center.

As soon as the cause of the alarm is determined, a second, building-wide announcement will be made advising every one of the cause of the alarm and appropriate actions to take as needed.

Earthquake

Meydenbauer Center is constructed to the latest building codes and will withstand substantial earth movement. In 2001 we experience a significant earthquake with no internal or external damage. If an earthquake occurs during an event, guest should immediately seek cover under a table, desk or doorway. During and immediately after an earthquake occupants should not leave the building as outside hazards are usually more prevalent. Evacuation of the facility is not called for unless hazardous conditions are found which would affect guest and employee safety.

Immediately after an earthquake, building maintenance, engineering and security personnel conduct a thorough inspection of the entire facility. This inspection includes building foundations and floors, structural supports, gas, water and electrical lines, and window glass. A representative from the city building department will also conduct an inspection and issue a permit stating whether the building is safe for occupancy or not. If it is determined that a hazardous conditions exists, occupants will be asked to vacate the facility until it is determined safe to re-enter.

Building Evacuation

In the event the facility must be evacuated, a tape-recorded announcement will play throughout the building. This announcement advises everyone to walk to the nearest designated emergency exit and to leave the facility. Meydenbauer Center staff will help direct guests to the nearest safe exit. All individuals will remain outside until advised that it is safe to re-enter the building.

Firearms – Armed Security

By contracting our space, the event organizer agrees to prohibit any person, except for law enforcement officers and on-duty security personnel, from possessing firearms at their event except when carried by off-duty City of Bellevue officers or Washington State Patrol, commissioned law enforcement personnel or displayed in conjunction with a contracted event. Any firearms that are displayed as part of an event or an event must remain unloaded at all times.

City of Bellevue Fire Department Guidelines: Fire & Life Safety for Tradeshow, Exhibitions, Public Events and Theatrical Performances

Flame Retardant Treatment

All decorations including, but not limited to, the following shall meet the flame-resistant requirements as set forth in U.F.C. Section 1103.3.3.1. Exception: Approved live vegetation

- Drapes, signs, banners, foam plastics, non-foam plastics, hay, straw, moss, split bamboo, wood, and other combustible decorative materials shall be flame-resistant or flame-retardant coated
- Oil cloth, tar paper, sisal paper, nylon, orion, and/or other such materials cannot be made flame retardant and shall not be used
- A Certificate of Flame Resistance for all decorative materials shall be available for review by the Bellevue Fire Department.
- Treatments used to render materials flame resistant shall be renewed as often as necessary to maintain the materials' flame resistance.

Combustible Materials

Storage of combustible materials (e.g. cardboard boxes, papers, etc.) shall be neat and orderly. Such materials shall not be stored on top of electrical wiring, near heating devise, in exits or exit enclosures, or within 18 inches of sprinkler heads. Empty cardboard boxes shall be broken down and stored in an orderly manner, and/or removed from the building.

Fire Alarm/Fire Protection Systems/Equipment

- All fire alarm, fire extinguishing, and/or fire protection systems shall not be disabled, tampered with or otherwise rendered out of service at any time during events.
- Alarm-initiating devices, alarm-signaling devices and annunciators shall not be concealed, obstructed or impaired.
- Class II standpipe hose stations, Class I and Class III standpipe outlets, and portable fire extinguishers shall not be concealed, obstructed or impaired.
- Additional portable fire extinguishers may be required or necessary during events if deemed the hazard to life or property has increased.

Vehicles/Internal Combustion Engines on Display

All automobiles, trucks, motorcycles or other motorized vehicles or equipment used for display within the building shall be in accordance with the U.F.C. Section 2505, and/or the following:

- Batteries shall be disconnected in an approved manner.

- Vehicles shall not be fueled or defueled in the building.
 - All motor vehicle or equipment fuel tanks shall not exceed $\frac{1}{4}$ of the tank capacity or 5 gallons, whichever is less.
 - Fuel tank openings shall be locked and sealed to prevent the escape of vapors.
 - Fuel for the vehicles or equipment shall be stored in approved containers in an approved location outside of the building.
 - Fuel spills shall be cleaned up immediately. Vehicles leaking fuel or other liquids shall be removed from the building.
- Vehicles or equipment shall not be started or run inside the building.
- The location of vehicles or equipment shall not obstruct or block exits, exit doors, or fire alarm or fire extinguishing equipment.

Any display vehicle or equipment which includes an internal combustion engine (gas or diesel) shall comply with the following requirements at all times while inside the facility:

- Drip protection will be required if displayed in a carpeted area
- Ignition and door keys for display vehicles will be left with building security while the vehicle is on display
- Taped wheels for carpet protection

Vehicles may only be operated for placement and removal during event move-in/out. Vehicles may not be operated, driven or moved during occupied event hours. Meydenbauer Center does not provide any means to elevate display vehicles. The facility has no equipment or staging that will accommodate the weight of most motor vehicles.

Candles and Open Flame Lighting

Meydenbauer Center will allow minimal lighted candles to be used in assembly space with prior approval under the following guidelines:

- Candles are to be placed in stable containers of noncombustible construction which are built to not tip over easily.
- The flame should be protected, so that in the event the candle is knocked over, it cannot ignite surrounding material.
- The protection around the candle shall extend high enough beyond the flame so that nothing placed on top would ignite.

Electrical Cords and Multi-Plug Adapters

- Extension cords shall be used only with portable appliances.
- Extension cords shall not be of less capacity than the appliance or device served, and shall be plugged directly into an approved receptacle.
- Extension cords shall serve only one portable appliance and shall not be “daisy chained” together.
- Extension cords and flexible cords shall not be affixed to structures; extend through walls, ceilings, floors, under doors, or floor covers; or be subject to environmental or physical damage.
- Multi-plug adapters such as power taps or power strips shall be of the polarized or grounded type and shall be UL listed or FM approved.
- All spliced wires, electrical devices, appliances and other equipment which are modified or damaged and constitute an electrical shock or fire hazard shall not be used.

Fire Department Permits

A “Temporary Use” permit shall be obtained from the Bellevue Fire Department, Fire Prevention Division when the following activities, operations, practices or functions are conducted:

- To use open flame or candles in connection with assembly areas.
- To display liquid or gas-fueled vehicles or equipment inside an assembly area.
- To erect or operate a tent or air-supported temporary membrane structure having an area in excess of 200 square feet, or a canopy in excess of 400 square feet
- To use pyrotechnic special effects

Advertising, Publicity and Promotion

We are pleased to assist you in communicating with the public about your event. You will be asked to complete an Event Publicity Form that will request contact information, event hours, admission costs—if any—and a brief description of your event. If you do not wish to be included in any of our publicity materials please indicate accordingly on the form. Meydenbauer Center’s Event Publicity Form can be found at the following link: <http://www.meydenbauer.com/event-publicity-form>.

All contracted events will be listed in the following Meydenbauer Center communications:

- Within five days of your event, on the telephone information line 425-637-1020
- Signage in all lobby areas posted on event days

Optional Listings

Should you choose, Meydenbauer Center may also list your event in the following:

- Schedule of events calendar on the website (www.meydenbauer.com)
- Outdoor marquee as available – day of event only
- Social media

Note: events are listed on a space available basis at the discretion of Meydenbauer Center. Not all events are listed in all advertising and schedules of events.

Website Event Listing

Our website provides schedules of events, maps and driving directions and parking information. You can link directly to this information at www.meydenbauer.com. If you provide us with a link to your event website, we can link to it directly from our online event calendar listing.

Promotional Materials

Equipment

- The Theatre is equipped with 40'w x 34'd x 20'h stage, an orchestra shell for up to 50 musicians, five music stands and lights, a pit suitable for up to 24 musicians and dressing rooms.

Safety

- First aid kits are located in the Theatre for your use. You may be charged for any supplies deemed wasted. We strongly encourage you to provide your own safety equipment and first aid supplies. The Theatre at Meydenbauer Center does not provide ice or ice packs for dancers and non-emergencies.
- No bare feet or opened-toed shoes will be permitted on the stage or in technical areas. The only exception to this rule will be the production requirements.
- There is no running allowed backstage or in wing areas.
- An adult must accompany performers under 14 years of age when they are not onstage. It is recommended that one adult be responsible for no more than eight to ten minors.

House Rules

- Smoking is not permitted anywhere in the building.
- No eating or drinking in the auditorium, onstage or in the control rooms. Water on stage is permitted only in designated safe areas (as determined by Meydenbauer Center stage crew). Food and beverage props are permitted on set for production purposes, under the supervision of your property master. You are responsible for all damages and cleaning due to the violation of this rule.
- Keep all yellow zones and yellow surfaces clear. All "EXIT" doors shall be properly accessible for emergency exits. Do not block the backstage cross over (gray floor in the loading area).

- Do not tape, staple, pin or otherwise attach anything to a painted wall, surface, or door. You will be charged for any and all damage resulting from a violation of this rule. Mounted corkboards and dry erase boards are provided for your use.
- Use approved low tack spike tape on the stage and in the rehearsal room. Remove all tape completely after your event. Only professional grade painter's tape (blue), gaff / spike tape, electrical tape, and glow tape are allowed in the Theatre. Absolutely no duct tape or masking tape allowed.
- No nails or screws into any Meydenbauer surface. Absolutely no "dry wall" screws allowed.
- Only certified staff will be allowed to operate the Theatre technical equipment.
- Musicians or crew are the only people allowed in the orchestra pit. Crew or approved visitors are the only people allowed in the control booths and technical rooms.
- The Theatre at Meydenbauer Center wardrobe equipment (washer, dryer, irons) is to be used by your certified dresser(s) only.
- Dressing room and green room furniture is not to be taken outside the facility, removed from its location or used as props.
- Music stands are to be issued by stage crew and not to be removed from the stage. They are not to be used for anything but the display of music or scripts.
- Please remove everything that belongs to you. Meydenbauer Center will not guarantee storage and/or security of items left behind without specific written arrangements made prior to load in.
