

Meydenbauer Center Freight Load-in and Out

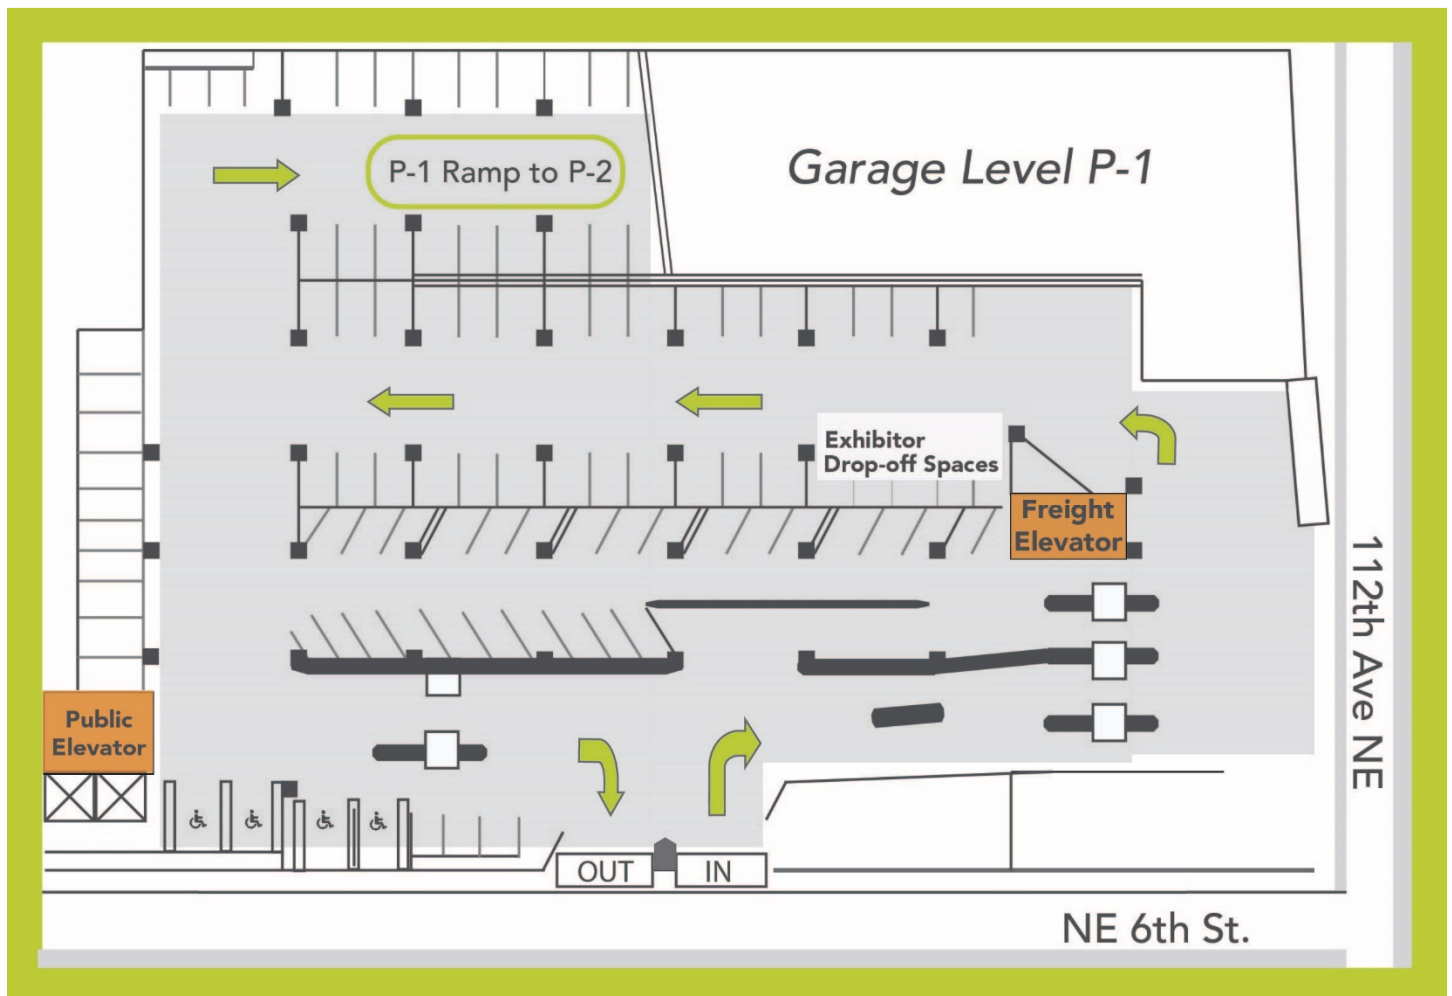

Driving to Meydenbauer Center:

Meydenbauer Center in downtown Bellevue is conveniently accessible from Interstate 405 which runs north and south through Bellevue. The most convenient off-ramp from I-405 is at NE 4th Street (Exit 13A). There is a HOV/Carpool exit at NE 6th Street from I-405 that exits directly onto NE 6th to Meydenbauer Center.

Vehicles under 6'9" High- Meydenbauer Center offers convenient freight elevator access from the parking garage. The garage entrance is midblock at 11100 NE 6th Street.

- The freight elevator on the first parking level provides direct access to the exhibit hall and the fourth floor meeting rooms. Please pull into the parking garage and use Exhibitor Drop-Off Spaces. Our security staff can have carts available for load-in and load-out on a first-come, first-serve basis.
- If you will be loading in hand-carried freight or using a small dolly, you may also load-in via our passenger elevators that are accessible from parking levels P1, P2, and P3.
- Parking is complimentary for up to 30 minutes.

Vehicles over 6'9" → See information on reverse.

Meydenbauer Center Freight Load-in and Out

Vehicles over 6'9" High-Loading Dock Access—Meydenbauer Center has three loading bays located on the North side of the building just off 112th Ave NE. The loading dock height is 48" with levelers that can each handle 53' trailers.

- The loading dock provides direct access to the exhibit hall or easy freight elevator access to the fourth floor meeting rooms. Our security staff can have carts available for load-in and load-out on a first-come, first-serve basis.

Vehicles under 6'9" → See information on reverse.
