

MEYDENBAUER CENTER THEATRE

Located in the center of Bellevue, and easily accessible by public transportation from most any direction, Meydenbauer Center Theatre is the perfect venue to host your next arts event. Our space is a 410-seat, 3,400 square foot, sloped-floor theatre, the perfect size for anything from an intimate reading to a fully staged musical. The stage dimensions are 40'w x 34'd x 20'h with an orchestra pit for up to 24 musicians and is fully equipped with professional lighting and sound systems, to make your event one to remember.

Backstage, there is easy access to a loading dock, with a rolling door for easy load-in of even the largest sets. There is a large green room on the first floor, backstage, along with 2 'Star' dressing rooms, 2 triple dressing rooms, and a divisible Chorus dressing room for up to 24 people with a mirror wall and adjustable barre accessible by elevator or stairs. You will have access to our wardrobe room with washer, dryer, and iron for any last-minute fixes!

Your event will have access to both the outer and inner lobbies, for any pre- or post-show receptions, advertisements, or activities. Our double level inner lobby is beautiful and bright, with plenty of room for your guests to relax and socialize before your performance. We can help you create almost any atmosphere for your patrons, including receptions with food and drinks from our in-house kitchen (ask about creating a custom menu!), or even a small gift shop.

The house has 4 aisles, each with its own light-lock, and is fully accessible with seating options for wheelchairs and wheelchair-transfers.
