The general conditions and specification of the RFP and the successful vendor's response, as amended by contract between the BCCA and the successful vendor, including e-mail or written correspondence relative to the RFP, will become part of the contract documents. Additionally, the BCCA will verify vendor representations that appear in the proposal. Failure of a vendor to perform services as represented may result in elimination of the vendor from further competition or in contract cancellation or termination.

The vendor selected as the apparently successful vendor will be expected to enter into a contract with the BCCA. The foregoing should not be interpreted to prohibit either party from proposing additional contract terms and conditions during negotiations of the final contract. If the selected vendor fails to sign the contract within five (5) business days of delivery of the final contract, the BCCA may elect to cancel the award and award the contract to the next-highest ranked vendor. All parties may incur no cost chargeable to the proposed contract before the date of execution of the contract.

Upon completing the debriefing conference, the Proposer is allowed three (3) business days to file a protest with the RFP Coordinator. Protests may be submitted by facsimile or e-mail. All protests must be in writing and signed by the protesting party or an authorized agent, e.g., legal counsel. The protest must state the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included. All protests shall be addressed to the RFP Coordinator.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of an evaluator.
- Errors in computing the score.
- Non-compliance with procedures described in the procurement document or with BCCA policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's judgment on the quality of a proposal, or 2) BCCA's assessment of its own needs or requirements.

Upon receipt of a protest, a protest review will be held by the BCCA. The BCCA Chief Executive Officer or an employee delegated by the Chief Executive Officer who was not involved in the procurement will consider the record and all available facts and issue a decision within five (5) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Proposer under the RFP, such Proposer will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the BCCA's action; or
- Find only technical or harmless errors in the BCCA's acquisition process and determine the BCCA to be in substantial compliance, and therefore reject the protest; or
- Find merit in the protest and provide the BCCA options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the solicitation document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If the BCCA determines that the protest is without merit, the BCCA will enter into a contract with the apparently successful Proposer. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.
